

Evidence of Teaching Excellence

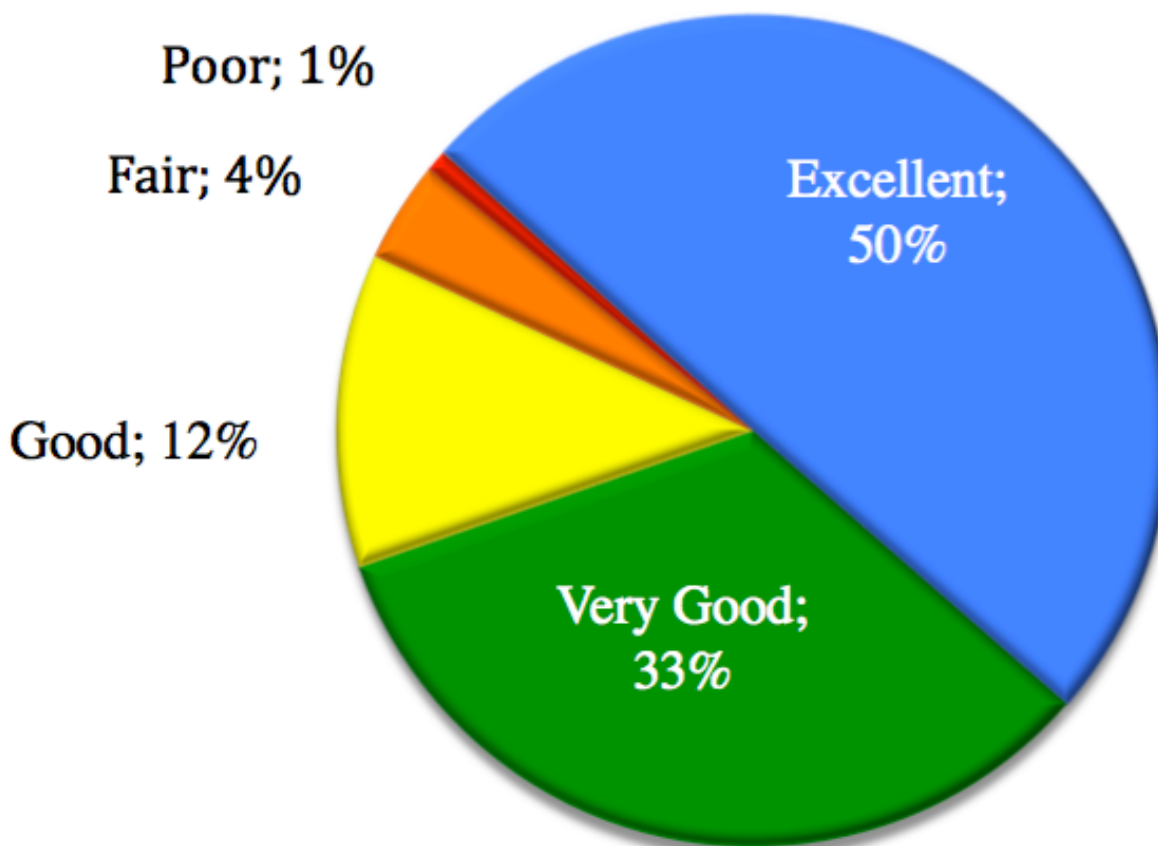

Dr. Brian Coffey

University of Florida & University of California, Davis
(2007 - 2014)

At both the University of Florida and the University of California Davis, my students were asked to rate my overall effectiveness as an instructor.

Out of the over 700 evaluations I received, just under half rated me as 'Excellent' and *83% rated me as either 'Excellent' or 'Very Good'*.
